

SESSER et al.
Appl. No. 10/813,443
August 29, 2006

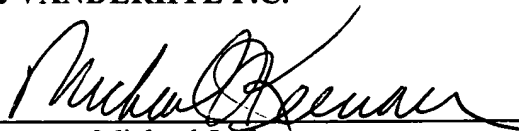

REMARKS/ARGUMENTS

The amendments to the specification are made to correct minor errors and merely bring the application into conformance with changes made by Certificate of Correction of the parent patents. The changes are of a minor nature which require no additional consideration or examination by the Examiner, and have no bearing on the scope of the allowed claims.

Respectfully submitted,

NIXON & VANDERHYE P.C.
